The project will run from 29th May 2024, the day of arrival, until 7th June 2024, the end of the project. Volunteers will arrive in Spain from their respective countries by plane. The closest airport with the most air connections is Madrid..

For Spanish members, accommodation and meals are covered for those days. The official language of the course will be English.

Health and travel insurances

All the participants coming from the EU should bring their European Health Card. They can use the free European Health Insurance Card (EHIC) to allow cover private health care, non-emergency health costs, or being flown back to your home country.

Please be aware that the EHIC is NOT a travel insurance policy.

We highly recommend you to make a health & travel insurance for the full duration of your time in Spain.

If you have any allergies or you need to take regular medications, please arrange these things by yourself as we are unable to provide them for you.

Likewise, if you have any health conditions, disabilities or mobility issues that you feel we need to be aware of or that may affect your participation in the youth exchanges activities, then please let us know what they are and how best to assist you.
